

Parkinson's Network North
and the Michigan Parkinson Foundation presents
The 35th Annual Parkinson's Summer Forum

Joanne Hamilton, PhD, ABPP-CN

Dr. Hamilton is the director of adult neuropsychology at Advanced Neurobehavioral Health of Southern California and resident neuropsychologist in the Department of Neurology at Scripps Health in San Diego. Her work focuses on helping those with cognitive challenges optimize their brain health. She received her PhD in Clinical Psychology from UC San Diego, CA.

Andrea DeLeo, DO, MSE

Dr. DeLeo is a movement disorder specialist certified in Neurology, Headache Medicine and Neurosonology. Her interests include: sleep disorders, gait, balance dysfunction, dystonia and DBS. She received her medical degree from Philadelphia College of Osteopathic Medicine.
