

Monthly Support Group Listing by County

See page 6 for Virtual, Caregiver, Veteran and African American Support Groups Information

The Michigan Parkinson Foundation is dedicated to offering valuable support and encouraging connections among individuals affected by Parkinson's disease, and their caregivers. We understand the importance of accessibility, which is why we offer both in-person and virtual support groups to accommodate various preferences. Socialization is a crucial component in the fight against isolation for individuals living with Parkinson's disease. By nurturing social connections and fostering a sense of community, we can create a supportive network that empowers individuals and caregivers on their Parkinson's journey.
